18 May 2021

HSC/2021/N024

Dear Parents/ Guardians

Updates on Term 2 Home-Based Learning (HBL) 2021

The following are updates from the school with regard to matters pertaining to the upcoming Home-Based Learning (HBL) which will commence on 19 May, Wednesday:

HBL Readiness

1. The school had finalised and performed essential steps to prepare students for their upcoming HBL. These are done with the objective of promoting a smoother HBL process in terms of account access issues so that students can spend their time meaningfully on learning activities planned by their teachers.

SLS Password Self-Recovery

2. Students who have provided an email address in SLS for password recovery will be able to perform password self-recovery on their own. The Form Teachers have guided students who were present in school on 18 May (Sec 4 and 5) and 19 May (Sec 1 to 3) to provide this email. Providing this email in SLS will minimize disruptions to your child's HBL process due to forgotten or erroneous passwords, and is important as SLS will be used as the main platform for communicating instructions about their HBL (e.g., assigning of learning tasks and disseminating of information such as videoconferencing links) with your child.

ICON Google Classroom

3. As part of the PDLP preparation process for 2021, all students have been provisioned with a student email address and an accompanying Google Classroom account. Depending on which class your child is in, he/she would have been guided through an onboarding process within the last two week period. The Google Classroom will be an added resource to support students during the upcoming HBL period.

HBL Routine, Timetable and Information

4. In general, the daily HBL routine begins each day at 7.30am with videoconferencing with Form Teachers. Students are also to log into SLS in the morning, where they will be able to access information that is relevant to their day's learning.

海星天主教中学

HAI SING CATHOLIC SCHOOL

9 Pasir Ris Drive 6, Singapore 519421 • Tel: 6582 7864 • Fax: 6582 2543

5. A copy of the HBL timetable would be made available in the school website before the commencement of HBL on 19 May, Wednesday. To provide better support for students' learning, our teachers will be customizing the daily lessons based on students' pace of learning and HBL instructions for the different classes will be posted on the SLS daily to guide students in their learning.
6. As part of our school's efforts to provide a more balanced and holistic learning experience, various skills-based learning activities have also been planned for our students during this HBL period.

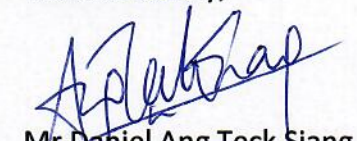

HBL Technical Support Hotline and General Enquires

7. In the event that your child/ward encounters any technical difficulties while learning from home, he/she may call the following hotline: 6582 7864 for assistance.
8. Should you have any query pertaining to the HBL, you may also call the above hotline or e-mail us at hshs@moe.edu.sg.

We seek your continued support and partnership with the school and we hope that your child/ward will have a meaningful HBL experience.

Thank you.

Yours sincerely,

Mr Daniel Ang Teck Siang
Principal
